Dear Dr Burleigh:

I wanted to say Happy New Year to you in French but was afraid I would have the tense wrong and wish you a joyous something else. Your letter arrived yesterday and the le Baon Noel on the envelope filled me with fond remembrances of our vacation in Canada the latter part of July and first part of Aug. I really admire the way you can switch from English to French so easily. From my latin I am able to get some of the french on memorials or whatever but when I hear it I am lost as it is spoken much to fast for me to comprehend. My Husband is 3/4 French, his grandparents Bresson/Chollet spoke only French and he managed in French Morocco in WW II but he was lost in Quebec trying to get directions to the Covered bridge outside of Hull. We did find it and gave a picture of it to our Northern Ohio Covered Bridge Society. We so enjoyed our 8 days in Canada, I felt as though I had found my roots, though wasn't able to prove a thing. I spent 2 full days at the Archives in Ottawa, working like I would here in our State Libraries, but I had no idea of where to look for land records or Marraiges or early Census. I am still getting Micro-film on inter-library loan though. Spent one full day copying numbers, but unfornately most of it was about Gov/Gen William Tryon not my William Tryon and felt very fortunate when I did find something as he was not listed in the Military Service file, but on a land grant claim. Ernestown 1st April 1820

Sir

I have the honor herewith to enclose for the consideration of his honor the administration, a petition from sundry officers and privates of the Battalion of Militia under my command. I solicit of you to have the goodness to lay it before his Honor at

the earliest convenience.

The object of the petition is to obtain a grant of land in a body near their present places of residence, so as to enable them to perform the settlement duty with the greatest facility.

I have the honor to be sir, your obedient servant

Major H or Millier

Matthew Clark LT. Col.  
Addington Militia

To his Honor Samuel Smith Esquire

Administrator of the Government of the Province of Upper Canada

The petition of the undersigned herewith

That your petitioners considering themselves entitled to the Bounty of Land, graciously announced by His Excellency Sir Peregrine Maitland to be allotted to the first Flank Companies of the Militia for their services during the late War with the United States of America respectfully beg leave to represent to your Honor that we are all residing in the County of Addington, in the Midland District, and that if a particular body of land within or near to that County could be set apart for them, it would afford them many advantages, and the benevolent bounty of his Majesty's Government would be infinitely enhanced in value. Could this wish be completed with, your petitioners are confident that a compact and industrious population would soon follow.

Your petitioners further by leave respectfully to represent to your Honor that they have understood there is a vacant township in the rear of Camden in this County. Could the lands, therein, be allotted for the above purpose. it would in every respect meet the angeline wishes of your petitioners.

The whole of this petition is most respectfully submitted and if granted,

Your petitioners are in duty bound ever pray for

U.E. Loyalist aged 48yrs & father is believed to be alive and upwards of Ninety years

I also have microfilm copy of Elias Tryon and his petition and also his wife Anna daughter of Elizer Fairchild claiming his 200 acres. My reason for thinking Wm. Tryon of war of 1812 is my Ancestor is that I have "TRYONS IN AMERICA" There is A William Tryon son of "m and Susannah Spofford Tryon born at Deerfield Mass 1777, He married Sally-----. He was a shoemaker and settled at Sacketts Harbor sometime after 1806 Only child recorded was William Feb 18, 180-. Now William Tryon and Susannah Spofford had as sons: William, Levi, Luther, Calvin, Zebina, Dennis, Lemuel All of whom just disappeared out of Mass and NY around 1806. I imagine that is when they went to Canada, perhaps Nova Scotia.

I find my great-great grandfather William Tryon in Brighton Twp. Northumberland Co. 1851 Census. Thus:

William Tryon farmer b. USA	E. Methodist	resident	age 43
Lucy Tryon	USA	"	37
Chester Tryon	"	"	18
Luther Tryon	Canada	"	16
William Tryon	"	"	14

On the page before were the rest of the family, as they appear first, I don't know if they were with the Lockebury family or Thompson family but expect Thompson as Chester married into that family. I wondered why they weren't at home, but Lucy was expecting Uncle Henry so that must be the explanation:

John Tryon b. USA	age 11
Calvin Tryon b. USA	8
Irene Tryon b. Canada	5
Laura Tryon b. Canada	2
In the agriculture Census William owned 40 acres	
In 1861 Census as above Co. and Twp.	
William Tryon farmer born Nova Scotia	W. Methodist age 60
Lucy Tryon	USA " 45
Chester Tryon (who was a widower by then)	27
John Tryon	20
Calvin Tryon	17
Irene Tryon	13
Henry Tryon	7
Alfred Tryon	5
Matilda Tryon	3

John and Elizabeth Packard were the next family

Luther and Bethany Tryon living alone

Chesters children, William Wade and Sarah E. living with their grandparents the Robert Thompsons.

3. Laura Tryon was deceased by then.

In 1870 Census Davisson Twp. Genessee Co Mich

\*Calvin Tryon age 25 farm worker b. NY

Harriet(Walterhouse) age 15 Upper Canada(Toronto Twp. Peel Co.)

Charles Tryon 7 Upper Canada

In 1880 as above

Henry Tryon age 27 farmer b. Canada parents both born Nova Scotia

Barbara 27

Spofford Tryon(Williams youngest son) 19 farm laborer b. Canada

Ellen 18 wife b. NY parents born NY

next page

Alfred Tryon 23 b. NY father born Maine Mother Vermont

Cora Tryon 20 b. Ohio

William Tryon 68 farmer b. Maine parents born Maine

Lucy 63 wife Vermont parents b. Vermont

My gr Grandfather Calvin was running a Hotel then in neighboring Co. Lapeer Co.

Matilda and Irene were married in Genessee Co.

William Wade(Chesters son was married and died in Genessee Co.)

Luther Tryonsson Timothy died there as did his daughter Maud. As Timothy was only 5, Luther must have been there.

But I found no death record for Chester, Luther or old William nor young William, Nor

Lucys death. And no other mention of William and Lucy and Spofford and Ellen in Genessee

Co. I think they may have returned to NY or Brighton Twp. Canada.

I did not find the Tryons in Brighton Twp. Northumberland Co in the 1871 Census. And have as yet not located them in NY.

So my Grandfather William left me with a few puzzles like his age and where he was born as well as his parentage. But because he named his last born son Spofford I expect his Grandparents were William Tryon and Susannah Spofford.

On inter library loan from Ottawa I recieved a copy of the Benson papers from Addington Co. There is a letter from Elizabeth Tryon of Halifax dated Mar 5, 1853 which is in very difficult script but a newsy family letter telling who her children look like and gives the ages and birthdates. I expect she was a <sup>cousin or</sup> sister to Alicia Benson(Mrs Charles) or else Elizabeth was a Benson connection. I have a photo copy of it if anyone would like a copy, it is too late for my Tryons.

I ordered the 1851 Census of Addington Co on inter-library loan for my next project. But if any of the Tryons still living there are interested in Genealogy it would be a great help to me. Any suggestions you can offer would be appreciated also. As I do not know how to search in Canada.

I was glad to get the diary entry, who's diary was it that had old Williams death in it?

Is it on Micro-film and available on inter-library loan?

I am afraid I have given you so much information that it will make your head swim figuring it out. But you said everything and thats just about everything up to Calvin.

I also have Plains, Sommers, Bessies and Walterhouses and Harts in Canada(Ontario)in the mid 1800's. I will send you a 5 generation chart later if you would like one. My fathers chart was to have been printed in the fall copy of the Historical Magazine, as they were working it up to send in while I was at the Archives in Ottawa. All of his Ancestors either landed in Canada or else migrated there about the time of the Revolutionary War. So I told my children, this running to Canada to escape the draft wasn't anything new. We have 3 married children and a 10 yr old who really enjoyed Canada, She and her Daddy visited a lot of interesting places the days I worked in the Archives. We really did have a Bon Noel, my parents came from Clare Co. Michigan(mid-lower~~er~~peninsula). They stayed with us 5 days and got to see 2 new Gr-grandbabies that they hadn't seen. The youngest by the way is Adam Tryon Yost, which pleased my father very much, he calls him Tryon. We are at the end of the line as I only have one brother who has two daughters, we also had only girls so it is the end of our Schwartz's also. Maybe that is why I am such a Genealogy bug, if I don't get it down, no one will know we existed. Thank you so much for the entry about old Williams death and any other help you may be able to give me.

Sincerely Yours

*Wawa*

Dear Sirs:

Our family enjoyed a lovely 8-day vacation in Canada in July. Our only regret, that it went so fast. We admired the way you have preserved the natural beauty and the peacefulness of even, Ottawa. I spent 3 days at the Archives, trying to prove a missing link. I have not proved it. I think I may be eligible for your Loyalist Society though. Could you tell me if anyone has joined the Society on William Tryon who fought in the War of 1812 under Lt. Col. Matthew Clark, Addington Militia, First Flank. I think my great-great-grandfather who I found in the 1850-1851 Census Northumberland Co., Brighton Twp, Ontario (William and Lucy Tryon and son Calvin) and later in the 1880 Census, Genessee Co. Michigan, may well be a son of William's. He was killed while helping to raise a house and his eldest son John Tryon claimed land grant in Camden, Ontario.

However there was also an Elias Tryon of Yonge, district of Johnstown, whose wife was Anna Fairchild, who claimed her father's land grant also in Johnstown District, County of Leeds. My William Tryon was born 1800-1812 ca. in Ontario or Nova Scotia. His father apparently came from Maine, USA. This is stated on 1880 Census, although he may have been born in Nova Scotia. If you have records of children of either man, I should be grateful for the information. Also if I can prove lineage, I should like to know how you join your Society and how much it will cost.

Sincerely yours,

Mrs. Wava Tryon Schwartz
